Case No. 24-cv-06753

Dear Ross:

I am in receipt of numerous court papers you filed in the above referenced case. Among other things, you have filed several versions of a "Notice of Third-Party Citation to Discovery Assets" wrongly indicating that I am the attorney for the Judgement Debtor, Cartridge World North America, LLC.

Please be advised that Quarles & Brady LLP does not represent Cartridge World North America, LLC. I do not know why you would think this has ever been my firm's client. I have not indicated to you that this entity is (or ever was) my client. My firm cannot accept any papers on behalf of this entity.

Please be further advised that my firm does not represent any of the third-party respondents, including Telesis Unlimited, LLC, In the Ink, Inc., Jeff Faul, Horizon Ink, LLC, Jireh Enterprises, Inc., Frank Formiller, or David Morill.

Please stop representing to the Court that I am the attorney for Cartridge World North America, LLC. I ask that you take all appropriate action to correct this misrepresentation. Please also stop sending me notices and court papers for parties that I do not represent.

Sincerely,

/s/ Jeffrey M. Monberg
